Decision Criteria:

Only when all documents are received will admission decisions be made. Parents should note that class size/space availability affects admissions.

Admission Status:

The Admissions Team will inform parents of one of the following admission decisions.

- Accepted - If a student has qualified and if space allows, the student will be placed in the appropriate age level class.
- Wait List - If an applicant meets Fairmont admission requirements but is applying for enrollment in a grade level that is full, that applicant will be placed on the waitlist for his/her class. Based on the factors considered for admission decisions, a student's position on the waitlist may change.
- Not Eligible - The applicant does not meet eligibility and requirements for admission at this time.
